Donations to Community Foundation Continue to Help with COVID-19 Relief

Through the support of local donations, the Henry County Community Foundation continues to help area agencies with their COVID-19 response and relief efforts.

With job disruptions and increased health risks, the COVID-19 pandemic is creating new unmet needs. Donations to the COVID-19 Disaster Relief Fund are providing grants to organizations serving vulnerable populations affected by the crisis.

Seven organizations received assistance during the second round of emergency relief.

- Raintree Habitat for Humanity
- New Castle Schools Food Service
- Hoosiers Feeding the Hungry
- New Castle Main Street
- Blountsville Firemen's Association
- Christian Love Center
- Developmental Services, Inc.

Support those affected in our community with a donation to the COVID-19 Disaster Relief Fund. Donations to the Foundation stay locally to help Henry County and residents get through the crisis created by the pandemic. Contribute to local efforts [here](#).
