

HENRY COUNTY COMMUNITY FOUNDATION

Thriving

SPRING 2023 NEWSLETTER

Happy New Year!

The beginning of the year is a good time to set goals. Have you made engaging with your community part of your plans for 2023? We have some great ways for you to support causes you care about and connect with others who are making a difference in Henry County. Here's a chance to learn about some of those opportunities...

Check in with the Courier Times and Middletown News twice a month to read impact stories from HCCF about donors like you who want to see Henry County continue to thrive.

This could be the year to start planning for the future, and we're here to help! It's never too late or too early to plan for the people and causes you care about.
