## Perseverance of Pickleball: 10-Year Choose Henry Grant Anniversary

Imagine a fund that keeps on giving, year after year, like a gift basket overflowing with good things for our community.

**That's the beauty of the Choose Henry Flex Fund.**

Mike Mcatee, Todd Thalls, Jennifer Fox, and John Fisher

Choose Henry goes beyond just handing out grants; it's about **neighbors helping neighbors build a brighter future, together.**

**Take Baker Park, for example.** Ten years ago, the HCCF grants

committee came together to make decisions about the current grant cycle applications. One project on their list? **The pickleball courts at Baker Park!**

Jared Weaver and Nancy Thompson

The grants committee of 2014 could never have predicted the ongoing use of these courts. They've become a place where people of all ages connect, enjoy the outdoors, and even build friendships.

**That's all thanks to generous donors who choose to make a mark through the Choose Henry Flex Fund.**

It's the power of community investment – that keeps on giving, bringing people together, and creating joy for years to come.
