Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

The grant application process starts with a workshop that must be attended by one person from each organization or agency applying for a grant. This is followed by a grant application process. After the grant applications are received, they are turned over to a member of the grants committee who does a site visit to see the organization and/or program and to speak to the person in charge as to the grant. This committee member then meets with the total grant committee and makes recommendations for the grant or reasons the grant is not worthy of recommendation. The committee then votes and those recommendations are taken to the Board of Directors for final approval.
